

# Kaiser Permanente 2012 Sample Fee List

Members in any deductible plan<sup>1</sup> can use this list to help estimate their charges.

## SOUTHERN CALIFORNIA

---

As your partner in health, we want to help you manage your health care spending. Knowing how much you can expect to pay for care and services gives you peace of mind so you can concentrate on the things in life you enjoy.

This Sample Fee List<sup>2</sup> shows you estimated charges for some commonly used medical services—such as office visits, lab tests, and X-rays—when you receive care at Kaiser Permanente facilities. Your charges may be different if you receive care or services from a contracted provider at a non-Kaiser Permanente facility.

The amount you pay out of your own pocket for a service will depend on your plan coverage, whether you've reached your deductible or out-of-pocket maximum, and other factors. The amount you are asked to pay may be a copay (a fixed dollar amount you pay for services) or coinsurance (a percentage of charges you pay for services).

### Use this Sample Fee List to help you:

- Estimate how much you'll spend throughout the year for care and services at our facilities.
- Manage funds in your health savings account (HSA) or health reimbursement arrangement (HRA) account to cover upcoming medical services.<sup>3</sup>
- Review your benefit options during open enrollment. If you have a choice of plans, the amount you pay out of your own pocket for care may vary, so knowing how much services cost can help you choose the best Kaiser Permanente plan for you.
- Estimate the funds you may need for your flexible spending account.

For more information or to ask about a service not found on the list, please call the Member Services or Customer Service number on your ID card.

<sup>1</sup>This Sample Fee List does not apply to medical services received from any network providers who are not Kaiser Permanente providers. This includes services received in a Kaiser Permanente PPO Insurance Plan, the participating provider and non-participating provider options (Tiers 2 and 3) of a Kaiser Permanente Point-of-Service Plan, or a Kaiser Permanente Out-of-Area Indemnity Plan.

<sup>2</sup>The estimated member charges in this Sample Fee List are valid as of January 1, 2012, and may change without notice.

<sup>3</sup>You must be enrolled in an HSA-qualified deductible plan or a deductible plan with HRA to use these features.
